Why Sponsor?

PamperHER is an intentional experience created to serve mothers, mother figures, and caregivers who are still showing up while carrying a lot.

Now in its **5th year**, this experience continues to reach women who are striving to provide, build, and move forward, often without the opportunity to receive rest, care, or encouragement.

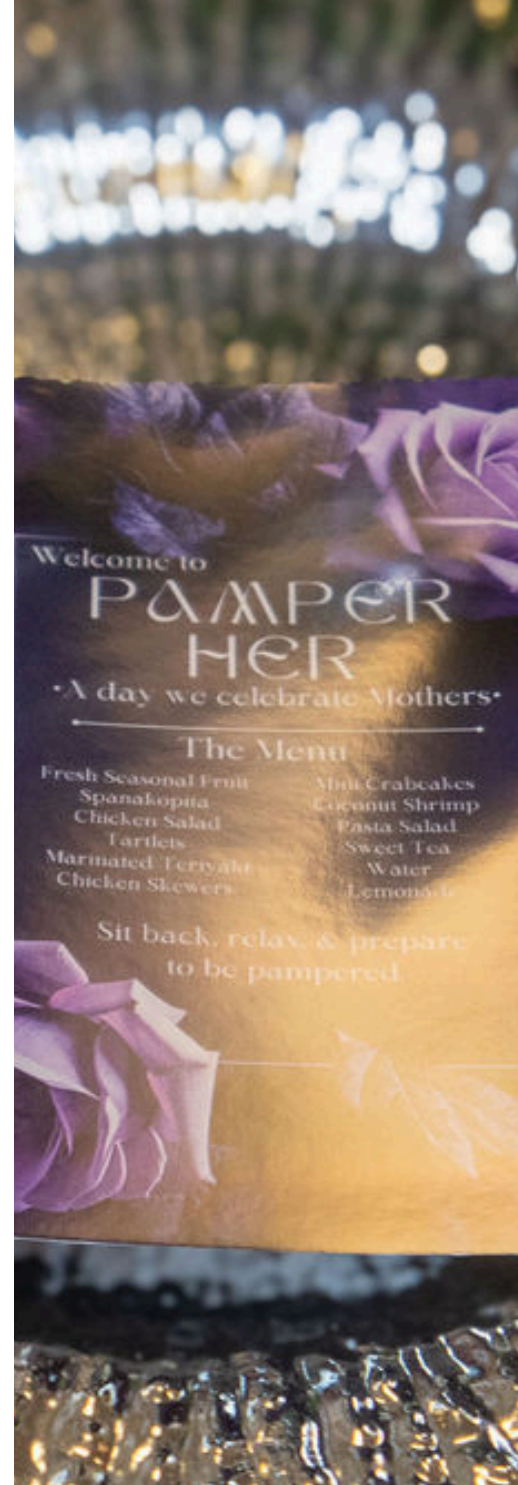

This is not just a day of glam. It is an investment in empowerment, personal growth, and life enrichment.

Your sponsorship helps create a space where women are not only cared for, but poured into with resources, mentorship, and real support that strengthens how they live, lead, and provide.

Purposed Pursuit, Inc. exists to Strengthen, Encourage, and Empower (S.E.E.) Life-Givers THRIVE, and has consistently served women and families through empowerment initiatives, development training/resources, economic, and community-based support.

By partnering with us as a sponsor, your organization will not only receive brand visibility, and recognition. You will benefit from aligning your mission with an experience that reflects real impact and a commitment to strengthening families
